## Luke 1:1-4

1 Since many have undertaken to set down an orderly account of the events that have been fulfilled among us,<sup>2</sup> just as they were handed on to us by those who from the beginning were eyewitnesses and servants of the word,<sup>3</sup> I too decided, after investigating everything carefully from the very first, to write an orderly account for you, most excellent Theophilus,<sup>4</sup> so that you may know the truth concerning the things about which you have been instructed.

1. Is the Bible true? \_\_\_\_\_
2. Do science and religion conflict or compliment each other?  
\_\_\_\_\_
3. Many people struggle with their faith, especially some of our youth and young adults. Are you, or someone you care for dearly struggling to take Jesus, the Bible, and/or the church seriously? Write down the names of people you know who are struggling with their faith. How can you help them embrace their faith or lack of it?  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
4. What are some of the ways we can have faith in what Luke has written down about Jesus and what we are studying this morning?
